CUSTOM & MILLER BOX

MOUNT TOM

MOUNT TOM BOX CO.

We're Big on Boxes.

In 1959, Mack the Knife lit up the radio while Dennis the Menace found trouble on TV. The Barbie doll was invented. A loaf of bread cost 20 cents. That was also the first year for **Key Container Corporation**, serving the box needs of hundreds of New England's leading companies. That's a lot of boxes! But we don't plan to box ourselves in.

We continue to expand and provide an ever widening range of innovative products to fit any packaging need you can name.

A COMPLETE RANGE OF PRODUCTS

STOCK BOXES

Stock up on our stock boxes and you will be ready for anything. Any shape, size or type for orders from 1 to 1,000,000.

FOAM PACKAGING

Foam fingers may fly at Fenway, but we're busy perfecting our foam packaging to protect your fragile products and materials. Any way you need it—from die cut to glue to corrugated—our foam has great memory, not for Barbie dolls and Dennis the Menace repeats, but memory foam for keeping your goods safe and secure.

POINT OF PURCHASE (POP) DISPLAYS

Create an impression with your P.O.P. display. Make it *pop* with a creative design, shape and style. Add pizzazz and watch your display translate into greater selling power. Ask how our talented graphic design team can create artwork for you at no additional cost.

CUSTOM BOXES

Our specialty! We are all about boxes. We will size, sample and manufacture custom boxes exactly to your needs, measurements and budget. We'll add any custom printing to your boxes. Manufactured on the premises for speedy turnaround time, we work faster than you can throw a Frisbee (also invented in 1959).

PIZZA BOXES

We custom print in one, two or three colors on white and brown boxes from 10 to 18 inches, half sheet and full sheet, for next day delivery. We also manufacture those fun pizza circles to coordinate with the boxes you choose—and can deliver those the next day as well. Short-term, special discounts for "food show specials" are available, if needed. Plus, we can print your QR (quick response) code right on the pizza box to drive more business right to your web site.

GRAPHIC DESIGN SERVICES

Our talented design staff is ready to create your logo, design, imprint and more. Professional art services are free of charge with your order.

THE KEYS OF KEY CONTAINER CORP.

FAST TURNAROUND. FLEXIBLE. CUSTOMER FOCUSED.

Life moves fast. Our team is faster. At Key Container Corp, we pride ourselves on being your one-stop shop for all your packaging and delivery needs with a single phone call. Fast to respond, fast to deliver, and flexible to meet your changing needs.

THE WHEELS ON OUR TRUCKS GO ROUND AND ROUND.

Spot our brand new, more fuel efficient and eco-friendly yellow trucks on the road. You'll know we are hauling custom boxes, pizza boxes and more to help our many clients in the food, printing, plastics industries and other businesses.

CLIENT FOCUS UNTIL THE LAST BOX IS CUT AND DELIVERED.

Key Containers' key focus is on quality and the client experience. From customer service, sales, design and production to the final delivery—we will do whatever it takes to ensure that we exceed your expectations. Our integrated services mean we can do it all—convert paper to corrugated sheets, create die-cuts and displays, cut to fit, and more—on-site and in-house.

FAST TURNAROUND.
ECO-FRIENDLY TRUCKS.
CUSTOMER-CENTRIC SERVICE.
POWERFUL MACHINES.
ATTENTION TO DETAILS.

OUR STATE-OF-THE-ART PLANT...

WE HAVE A "WHAT KIND OF MACHINE?"

Rotary die cutting. Flexos. Robotic feeders and stackers. 98" corrugator—the King Kong of corrugators. These mega machine names may not mean much to you, but to us they mean more cutting power, faster turnaround time, improved quality control—and ultimately, innovatively designed boxes at your door or warehouse dock. In our on-site production facility, we are constantly re-investing in machines that increase our quality, production and turnaround time. And our production team is the best in the business to ensure every box we turn out is tested, inspected and top quality.

THE DIFFERENCE IS IN THE DETAILS.

Our *Just-in-Time* program ensures that you have what you want—when you need it. We can store your products in our mammoth 100,000 square feet of warehouse space at our locations, ready to board our yellow trucks for your warehouse when you're ready for them. Key Container is ISO certified and proud to have been named Supplier of the Year through awards given from small businesses to Fortune 500 companies.
